R/S Rahul Shiv Kumar

PROFILE SUMMARY

Results-driven and multi-talented professional with a strong background in web design, UX/UI design, and programming. Proficient in HTML, CSS, Figma, and Adobe XD, with a keen eye for detail and aesthetics. Skilled in wireframing, prototyping, and using industry-standard tools such as inVision and Adobe Photoshop. Demonstrated expertise in Java, Python, MySQL, and database management. Adept at troubleshooting and providing IT support, with a solid foundation in networking and security. Excellent communication and leadership skills, fostering effective collaboration and teamwork. Known for adaptability, strong work ethic, and the ability to meet project deadlines. Enthusiastic about music, singing, and playing the guitar. Continuous learner with certifications in web development, data science, UX design, and digital marketing. Master's in Computer Application in progress. Open to new opportunities to apply my diverse skill set and contribute to innovative projects.
